Strategic Priority Committees

Strategic Priority Committees

- Meetings: Feb/Mar, May, Sept (approx. 4-7pm, virtual)
- Objectives:
 - Build a shared understanding of the scope of each priority area
 - Inform stakeholders of the knowledge, resources, structures, and partnerships required to achieve the goals of the strategic plan by priority area so that members are better equipped to advocate for and support implementation
 - Provide progress updates on the given strategic priority area
- Each Committee's meeting will be led by a Content Facilitator. Sarah King will provide the structures for all Committees and can serve as your point of contact (sking6@bostonpublicschools.org)
- Meeting invitations will be sent directly to your calendars

Strategic Plan Update

Office of Multilingual and Multicultural Education (OMME)

Strategic Plan Priorities

- 1) Expand ELE bilingual and world language heritage programs that support students and enable their achievement of the Massachusetts State Seal of Biliteracy
- 2) Ensure that all Multilingual Learners with Disabilities (MLWD) receive appropriate services and support including native language;
- 3) Improve instruction and outcomes across multilingual learner programming
- 4) Develop student-centered systems with an equity lens that ensures Multilingual Learners have required services and access to opportunities
- 5) Partner with youth, families, communities, Community-Based Organizations, and education partners to increase opportunities for program options towards college and career readiness.

Thank You
